

General

|                  |            |
|------------------|------------|
| Height (mm)      | 22         |
| Diameter (mm)    | 42         |
| Cover            | Adjustable |
| Housing Material | PC         |
| Weight (g)       | 18         |
| Housing Color    | Beige      |

Electronics

|                       |                         |
|-----------------------|-------------------------|
| Input Voltage         | 24 V DC                 |
| Power Supply          | External (not included) |
| Power Consumption (W) | 2                       |

Lighting

|                              |                                        |
|------------------------------|----------------------------------------|
| LED Type                     | SMD3535                                |
| Pixel Pitch                  | customizable,<br>starting from 100 mm, |
| Lifespan (hours)             | 50000                                  |
| Color Range                  | RGBW                                   |
| LED Quantity                 | 8                                      |
| Optics (°)                   | 110                                    |
| Colour Rendering Index (CRI) | 80                                     |
| Color Temperature (Kelvin)   | 2700 K                                 |
| LEDs per Pixel               | 8                                      |

Control

|                    |              |
|--------------------|--------------|
| Control            | SPI          |
| Control Units      | Single pixel |
| Number of Channels | 4            |
| Compatible ICs     | UCS8904      |

Environmental

|                       |              |
|-----------------------|--------------|
| Storage Temperature   | -30 ~ +80 °C |
| Operating Temperature | -20 ~ +70 °C |
| Ingress Protection    | IP67         |
| UV Constant           | yes          |

IP67 3<sup>year</sup> warranty
